

Forum Discussion Questions

Instructions: You are to ask three people sitting near you the questions below. You may ask clarifying questions, but should not argue or debate. Your task is to try to understand the other persons view as richly and clearly as possible and to record them briefly and accurately in the space below. You will use these answers to analyze the overall group's views on this question.

Question 1:

One goal is for JFK Plaza/LOVE Park to be an important, iconic, internationally renowned, civic space. In what ways does it succeed in that role today?

Question 2:

Are there uses or programs that would make the Park more successful? That would enhance your use of the park or that would enhance the activity there?

Question 3:

Are there barriers that get in the way of you or others using the Park? If so, what are they? How might we remove those barriers? If not, how might we make it even easier for you to use the Park?

Question 4:

The Park is a public space that is used by many diverse users for a broad variety of uses. How can we continue making it welcoming for all?

Question 5:

How would you describe the dynamics between the Park's users? Are there ways we might improve those dynamics?
