Please join the Philadelphia City Planning Commission for a short presentation on *Philadelphia2035*, West Park today, and preliminary infrastructure, land use, and development recommendations. After the presentation, help us develop scenarios for West Park's future by working in small groups. Your input will shape the Centennial District, West Fairmount Park, and City Avenue.

Parking Available at the 54th and City Avenue garage OR take the G, 52, or 65 buses to Cardinal and City Avenues.
